Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:
 - a. Li reference does not disclose the claimed invention of a list of active candidate routers. Li discloses that one of the routers in the group is an "active" router and that the virtual router receives the data packets that are to be transmitted outside of the LAN from the host, but there is no disclosure that the virtual router is from the list of candidate routers.
 - b. Li reference does not disclose selecting said router to be used for transmitting said packetized data from said list of active candidate routers. Li discloses the host is configured to send out its LAN packets to a virtual router, but there is no disclosure that the virtual router used to send out packets from a LAN is a router selected from a list of active candidate routers.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
